

The Blooming Bath & Brush (BBB)-Pricing starts at \$40

Pricing is dependent on the assessment of our four-legged client's size and hair coat.

Includes:

- Deep-clean shampoo & conditioner using safe, hypoallergenic salon products
- Blow dry and brush out
- Four on the Floor nail trim
- Secret Garden gland expression
- Anti-Tooth Fairy Hygiene Spray - A gentle, alcohol-free mouth rinse to freshen breath and reduce bacteria.
We don't brush teeth in the salon because it can create a false sense of security - a quick brush during grooming doesn't replace daily home care or professional veterinary cleanings.
- Gentle ear cleaning (including removal of un-hygienic hair)
- Natural coat oil spray finish - smells and looks fantastic!

Full Deshedding Amino Acids, Aloe and Sunflower Triglycerides -Pricing starts at \$60
